EDUCATION

- **Dr B R Ambedkar National Institute of Technology, Jalandhar** 2026
B Tech - Electronic and Communication Engineering
- **Arya Kanya Pathshala Inter College** 2021
Uttar Pradesh State Board of High School and Intermediate Education
- **Arya Kanya Pathshala Inter College** 2019
Uttar Pradesh State Board of High School and Intermediate Education

PERSONAL PROJECTS

- **The Cheese Box** (GitHub)
Tech Stack: HTML, CSS, JavaScript
 - Developed a fully responsive and visually engaging landing page for a fictional pizza restaurant, showcasing best sellers, menu, and testimonials.
 - Implemented an interactive cart feature using JavaScript to track orders dynamically.
 - Designed a smooth and modern UI/UX using CSS animations, hover effects, and custom fonts to enhance user interaction.
 - Achieved a high-performance single-page application experience optimized for desktop and mobile screens.
 - Enabled a secure checkout flow with structured sections for address, payment method, and cart summary.
- **TIC TAC TOE Game** (GitHub)
Tech Stack: DSA(Minimax Algorithm), HTML, CSS, JS, Responsive Design, Theme Toggle
 - Developed an AI-powered browser-based Tic Tac Toe game using the Minimax algorithm to simulate optimal moves.
 - Highlighted practical use of DSA in frontend projects by implementing core AI logic without external libraries.
 - Integrated player vs AI mode with turn-based state handling, dynamic win detection, and zero-crash logic flow.
 - Applied concepts of recursion, backtracking, and game tree evaluation for decision-making logic.
 - Added light/dark mode toggle and responsive styling to enhance accessibility and modern user experience.
- **Portfolio Website** (GitHub)
Tech Stack: HTML, CSS, JS
 - Tools & technologies used: xxx,xxx
 - More description on the project(The output you achieved by working on the project)

WORK EXPERIENCE

- **A2IT - Academic Advancement of Information Technology** June 2025 – August 2025
Machine Learning Intern Mohali, India
 - Selected for a structured internship program under the supervision of the Director of Technology.
 - Worked on core machine learning concepts and tools as part of hands-on industry training.
 - Participated in regular technical assessments and evaluations aligned with real-world ML practices.
 - Gained experience in a professional corporate environment, adhering to industry-standard code of conduct and expectations.

TECHNICAL SKILLS AND INTERESTS

Languages: C, C++, HTML, CSS, JavaScript.

Developer Tools: VS code, MATLAB, Vivado, Git, Github

Frameworks/Tools: React.js, Node.js, Git, JWT Authentication, RESTful APIs, Figma

Cloud/Databases: MongoDB, MySQL

Soft Skills: Attention to Detail, Conflict Resolution, Work Ethic, Problem-Solving, Creativity

Coursework: Digital Electronics, Microprocessors, Signal and System, Digital Communication, Data Structures and Algorithms, Operating Systems, Database Management System

Areas of Interest: Web Development, Machine Learning, DSA

POSITIONS OF RESPONSIBILITY

•**Core Member** : SOECE Society, NIT Jalandhar

2023-Present

•**Top Lead** : Reverie Fashion Club

2022-Present

ACHIEVEMENTS

Academic Achievements

Awarded multiple medals and certificates for academic excellence throughout school years, consistently ranking among top performers.

Cultural Achievements

Secured top positions in inter-school and intra-school dance competitions, recognized for choreography, stage presence, and creativity.
